WRESTLEMANIA IX

INTRODUCTION

World Wrestling Federation titles are at stake. Hulk Hogan—the beloved Hulkster—makes his return to the World Wrestling Federation ring. Giant Gonzalez, the frightening new mega-human, if human indeed, stalks the Undertaker. It's *WrestleMania IX* from Caesars Palace in Las Vegas, the family entertainment capital of the world.

The World Wrestling Federation welcomes you to *WrestleMania IX*, highlight of its year. This is the event that every wrestler in the Federation and fans around the world have waited for since *WrestleMania VIII*. It is fitting that *WrestleMania IX* originates from Caesars Palace, the site of myriad sports and entertainment spectaculars.

WrestleMania IX features faces familiar and new. Yokozuna, the huge sumo Grand Champion, goes for the World Wrestling Federation Title held by popular Bret "Hit Man" Hart, known for his excellence of execution. The great Hulk Hogan marks his return to the Federation by teaming with another returnee, Brutus "The Barber" Beefcake, against the Million Dollar Man Ted DiBiase and Irwin R. Schyster (IRS) of Money Inc., Federation Tag Team Champions, for the title.

Within this special program, you'll find details on these and the other great *WrestleMania IX* matches. We hope this publication will enhance your enjoyment of this wrestling extravaganza.

BRET "HIT MAN" HA

Title M

The world is waiting to see if Bret "Hit Man" Hart can manage to keep his title from the massive hands of Yokozuna at *WrestleMania IX*. Managed by Mr. Fuji, the 505-pound Yokozuna has double the bulk of the Hit Man. Schooled in the Japanese wrestling form of sumo as well as in the martial arts, Yokozuna has steamrolled over his opponents since coming to the World Wrestling Federation a few months ago.

The object of a sumo match is to topple an opponent off his feet. Yokozuna—a sumo Grand Champion—has the perfect sumo build: huge hips and legs like pillars. The Hit Man is a master technical wrestler, tough as they come and a superb athlete. But can his many physical and mental

abilities compensate for Yokozuna's size, not to mention Mr. Fuji's cruel trickery?

The Hit Man thinks so. "I'll run rings around you, Yokozuna. I'll tire you out. Then I'll put you down for good," he says.

"No, Hit Man," smirks Mr. Fuji. "My Yokozuna invincible. You good wrestler. Sure. But you no match for mighty Yokozuna, the Grand Champion. Yokozuna be like ancient sumo warriors in battle. He knock you down. Then he trample you and squash you like ripe melon. You already defeated. Mr. Fuji know."

This is a classic matchup of brains against brawn. If Hart can beat Yokozuna, he will be rated among the greatest champions of all time. If Yokozuna takes the title, it could be his for a long time.

MONEY INC. VS TH

THE MILLION DOLLAR MAN TED DiBIASE & IRWIN R. SCHYSTER

Tag Team

When Brutus "The Barber" Beefcake decided to return to the World Wrestling Federation ring despite having undergone facial reconstruction due to a parasailing accident, he really started something. Brutus clashed in the squared circle with the Million Dollar Man, who enlisted the aid of his partner, IRS, to savagely beat Brutus, concentrating on his face. The vicious attack caused a change of heart in the manager of Money Inc., Jimmy "Mouth of the South" Hart. He threw himself over Brutus and protected him with his own body.

Meanwhile, Hulk Hogan, ring immortal, had been pondering a return to the mat wars. Seeing what happened to Brutus and observing Hart's brave deed, the Hulkster responded. He's back. Back and teamed with his "Bionic Barber" to go af-

ter the Million Dollar Man and IRS and take away the tag team championship belts.

Even for the Hulkster and Brutus it won't be easy. DiBiase and IRS are superb wrestlers, with great athleticism and deceptive strength. They also know how to team up and administer a bevy of dirty tricks. No one knows this better than Jimmy "Mouth of the South" Hart. In Jimmy, the Hulkster and his Barber buddy have an advantage. Hart is familiar with the strategies of Money Inc. In fact, he helped develop them. However, because they are smart as whips, DiBiase and IRS may figure their opponents will plan their attack against the familiar strategies, and thus they'll develop new ones. What to expect? Nothing for sure except a great match.

THE UNDERTAKER vs GIANT GONZALEZ

The world was awestruck when the Giant Gonzalez appeared at the *Royal Rumble* and manhandled the Undertaker with surprising ease. The Giant confronted the Grim Reaper in the ring and slammed him to the canvas by his throat. Then Gonzalez dished out horrendous punishment. He rammed the Undertaker's body against the ringpost before walking to the locker room with manager Harvey Wippleman.

Gonzalez is a monstrous man, almost 8 feet tall, with an armspan as long as many men are tall. He is the most formidable force the Undertaker has faced.

The Undertaker, according to Bearer, went into seclusion for several weeks after the *Royal Rumble* incident. When he re-emerged, the Reaper was a different man. Bearer says the Undertaker's eyes are now a darker shade of black. His face has taken on an aspect that suggests inner strife and growing hatred.

Bearer says that Gonzalez, Wippleman and the universe will experience an entirely different Undertaker when judgment day arrives on April 4.

WRESTLEMANIA IX

MR. PERFECT vs THE NARCISSIST LEX LUGER

Even before the Narcissist Lex Luger made his debut at the *Royal Rumble* this past winter, Bobby "The Brain" Heenan extolled his virtues. Heenan said that the Narcissist's body and wrestling talents were far and above those of any other Federation competitor, particularly Mr. Perfect.

Then, at the *Royal Rumble*, Bobby Heenan unveiled Luger, who displayed his finely chiseled physique for all to see. When he finished flexing, Luger threw down the gauntlet. He insulted Perfect and challenged him to a match.

Mr. Perfect, who is featured in the most recent issue of *Wresting Spotlight Magazine*, quickly accepted the challenge. He says that he isn't impressed with Luger's musculature or his wrestling ability. Perfect says that he isn't impressed at all and vows to prove it to the Narcissist when they square off between the ropes at *WrestleMania IX*.

WRESTLEMANIA IX

SHAWN MICHAELS vs TATANKA

Intercontinental Title Match

Tatanka, who remains undefeated in singles competition, will once again face Intercontinental Champion Shawn Michaels, whom he recently defeated in a non-title match on *Superstars*. He also pinned Michaels for a victory during a six-man tag team match on *Monday Night Raw*.

Tatanka is sure he can outmaneuver Michaels. He says he has studied the Intercontinental Champion and knows how he wrestles. Tatanka says he knows how Michaels operates when wrestling in offensive and defensive modes. Furthermore, Tatanka says that he has detected a flaw in Shawn's wrestling style, which he hopes to expose in this hotly anticipated Intercontinental contest. It is said that good things come in "threes," and it could certainly happen here at *WrestleMania IX*.

Michaels says Tatanka "got lucky" the last two times they met. He claims he was suffering from flu-like symptoms on both occasions. At *WrestleMania* Michaels boasts he will prove his superiority.

WRESTLEMANIA IX

CRUSH vs DOINK THE CLOWN

Crush says that he is ready for revenge at *WrestleMania*. He wants to decapitate Doink the Clown—and for good reason.

Several months ago, Doink brutally attacked Crush with a lead-filled prosthesis on *World Wrestling Federation Superstars*. The attack shocked fans and almost incapacitated the massive Hawaiian. Crush was hospitalized for two weeks with a severe concussion and a torn trapezius.

He has since fully recovered from the assault, and he is determined to even the score with Doink. Crush says that the joke will be on the Clown when they collide at *WrestleMania*.

Doink, however, says otherwise. He says that he will dupe Crush into another mistake and cause him more bodily harm than ever before.

"As Bret "Hit Man" Hart, I travel around the world from arena to arena. My schedule is demanding. Every night it's a new battle against a tough opponent in a different city. And every day I train hard and heavy in the local gym. As you can see, being the best takes dedication and hard work. That's why ICOPRO™ is always in my corner, on the road and in the ring. This complete integrated system is tailored to my individual needs and demands. ICOPRO helps to prepare me for victory!"

BRET HART

MAXIMUM MUSCLE MASS AND DEFINITION IN JUST NINE WEEKS

Just like Bret "Hit Man" Hart, not everyone trains the same. Some people train six days a week; others have time for only three or four workouts. The **ICOPRO™ Professional Bodybuilding Program** is designed to provide detailed workouts no matter what your level of experience may be or what your schedule allows.

The ICOPRO Professional Bodybuilding Program is the result of years of scientific research by top sports scientists combined with the experience of professional athletes who live in the trenches of tough, grueling workouts. For the first time, ICOPRO™ offers you the opportunity to build incredible lean muscle mass in just nine weeks.

The ICOPRO Professional Bodybuilding Program splits your workouts into three levels of intensity because science shows us that you can't always train hard. You have to balance periods of high-intensity training with periods of low-intensity training. As a result, the program has you alternate between your A, low-intensity; B, medium-intensity; and C, high-intensity training sessions. Only the ICOPRO Professional Bodybuilding Program provides you with day-to-day workouts for each day of your nine-week program. This is a step-by-step guide to massive muscles and power!

The ICOPRO Professional Bodybuilding Program not only shows you how to train but also answers all your questions about proper nutrition. When should you eat? What should you eat? How much should you eat? All the answers to these questions and more are incorporated into the program. The ICOPRO Professional Bodybuilding Program provides extensive nutritional information designed to help you build and retain lean muscle mass.

The eight nutritional supplements contained in each ICOPRO Professional Bodybuilding Program are the most technologically advanced supplements available anywhere – ICOPRO Superproteins™, powerful herbs, perfectly balanced vitamins and minerals, aromatherapy and more.

Whether you've been training for years, months or you are just starting out, this program is designed for you. It's easy to use and perfectly safe.

With the ICOPRO Professional Bodybuilding Program, no longer are you training on your own. No longer do you have to rely on trial and error. ICOPRO takes the guesswork out of your workouts. ICOPRO is more than simple "pills and powders." It's a complete approach to training, integrating all phases of conditioning to build your body not only to its greatest potential but beyond! ICOPRO – You've gotta want it!™

Each ICOPRO™ Professional Bodybuilding Program contains the following:

- The exclusive 75-page interactive training manual complete with daily workouts, chronobiological clocks and proper nutrition for adding lean muscle mass.
- A pull-out exercise chart fully illustrated with detailed explanations of proper biomechanics.
- ICOPRO Macrocycle Prep™ – a preparatory program.
- ICOPRO Pre-Mass Workout Formula™ with light-protected dibencozide.

WRESTLEMANIA IX

BOB BACKLUND vs RAZOR RAMON

Former World Wrestling Federation Champion Bob Backlund has his hands full at *WrestleMania IX*. He is scheduled to clash with Razor Ramon—the self-endorsed "bad guy."

Backlund, who at 43 made perhaps the greatest comeback in the history of professional athletics, is a legendary wrestler. He first attained national prominence on the amateur mat, winning the AAU Championship while wrestling for North Dakota State University. He then turned pro and in 1978 captured the World Wrestling Federation Championship Belt, which he proudly defended until late 1983. Backlund, who is competing in his inaugural *WrestleMania*, is confident that he can outmaneuver Ramon at Caesars Palace.

Razor, as most people know, isn't one who often utilizes the intricacies of technical wrestling. He prefers rough-house tactics over headlocks and stepover toeholds. Razor recently said he intends to "carve up" Backlund at *WrestleMania*.

KAMALA vs BAM BAM BIGELOW

In this battle of the big men, 400-pound Ugandan Giant Kamala will butt heads with Bam Bam Bigelow, a cruel 390-pounder who has cut a swath here in the World Wrestling Federation since he emerged on the scene last fall.

Bam Bam will have difficulties with Kamala. Kamala, who's advised by The Rev. Slick, is amazingly agile for one so huge. He possesses uncanny quickness and strength, and he can take down opponents with relative ease. His finishing tactic, a thunderous big splash, has vanquished foe after foe. Slick, on Kamala's behalf, says this maneuver will eliminate Bigelow when he and Kamala meet.

Bam Bam, like Kamala, is also remarkably quick for a man of his size. He smashes opponents with brutal clotheslines off the ropes and occasionally employs dropkicks in his attack. Bam Bam, whose cranium is covered with tattoos, can bang heads with anybody. Raised on the streets, he has been breaking bodies his entire life. In perhaps the biggest match of his life at *WrestleMania*, Bigelow is poised to do the same to Kamala.
